

**ROYAL CARIBBEAN INTERNATIONAL'S *QUANTUM OF THE SEAS* FEATURES
FIRST-AT-SEA ACTIVITIES**

Unmatched Design, Skydiving Experience, Bumper Cars, Virtual Balconies and More

Building on a legacy of more than 40 years of innovation and creative design, Royal Caribbean International's *Quantum of the Seas* features a host of game-changing "firsts at sea" experiences such as a skydiving; the North Star, a thrilling adventure that transports guests more than 300 feet in the air on a breathtaking journey; cutting-edge transformative venues including the largest indoor sports and entertainment complex at sea with bumper cars, roller skating and more; and the cruise line's largest and most advanced staterooms ever. These larger staterooms enable innovation in design, storage and comfort including the industry's first virtual balconies. Every stateroom on *Quantum of the Seas* has a view.

Unprecedented "Firsts At Sea"

Having led the industry by introducing incredible signature offerings such as the rock climbing wall, ice-skating rink, FlowRider surf simulator, Central Park and AquaTheater, Royal Caribbean continues to advance the onboard experience even further by delivering a groundbreaking lineup of "firsts at sea" on *Quantum of the Seas*. Features exclusive to Royal Caribbean include:

- **RipCord by iFly**, the first skydiving experience at sea which allows everyone from first-time flyers to seasoned skydivers to enjoy the sheer thrill and exhilaration of skydiving in a safe, controlled, and simulated environment.
- **North Star**, an engineering marvel, takes guests to new heights – literally – with a jewel-shaped, glass capsule, transporting them on a spectacular journey more than 300 feet above the ocean and over the sides of the ship to deliver awe-inspiring 360-degree views.

New Transformational Signature Venues

With *Quantum of the Seas*, Royal Caribbean married new innovations with significant architectural design elements to introduce spectacular spaces. On *Quantum* guests find endless possibilities with three new signature venues.

(more)

- A revolutionary concept, **Two70** is a multi-level great room that has become one of the most iconic venues onboard Quantum class. The space is aptly named for its magnificent 270-degree panoramic sea views through vast, floor-to-ceiling glass walls spanning almost three decks at the stern of the ship. Two70 seamlessly fuses entertainment and technology to create a transformative journey from day to night. The perfect setting to connect with the sea during the day, Two70 provides a modern and comfortable living room space for guests to sit back and relax. As the sun sets and the lights go down, the dazzling space gradually reveals its evening persona, delighting guests with spectacular, mysterious and unexpected entertainment at night. Two70 features *Starwater* an original Royal Caribbean production is a highly visual, theatrical spectacle of video mapping, special effects and human artistry that combine to create an awe-inspiring experience designed to appeal to universal human emotions.
- The largest indoor active space at sea, **SeaPlex** is a distinctive and flexible sporting and entertainment venue with thrilling new features that inspires guests of all ages to let loose and connect with their playful sides. Delivering more first at sea experiences, guests can experience a circus school with flying trapeze, or play basketball on a full-size regulation basketball court. By night, the first-ever bumper cars and roller skating offerings deliver fun and excitement. Or, guests can dance to music orchestrated from a floating DJ booth which hovers above the activity below.
- A performance hall and the hottest live music venue on *Quantum*, **Music Hall** is the place for guests to enjoy intimate and exclusive access to live performances, DJs, theme night parties, billiards and more. Rebellious and edgy, Music Hall's two-story design is inspired by the spirit of rock and roll.

The Next Generation of Stateroom Accommodations

With guest comfort and convenience in mind, Royal Caribbean hosts the most spacious and luxurious accommodations ever with rooms that on average are nine percent larger than those of Oasis class ships. Sophisticated, upscale design, layouts and finishes create a home away from home. Boasting Royal Caribbean's new smart design concept, each stateroom features contemporary designs with easy-to-use customizable layouts and intuitive larger storage solutions.

- Now every room on *Quantum of the Seas* has a view, with the exciting introduction of **Virtual Balcony** staterooms. This design concept brings virtual balconies to interior staterooms offering expansive real-time views of the ocean and exciting destinations.

- For multi-generational families, **Family-Connected** staterooms deliver more flexibility, using three different stateroom categories which connect to form a special layout that provides separate bedrooms and bathrooms for all. These accommodations allow families and groups of friends traveling together to enjoy the best of both worlds when it comes to together and alone time.
- With *Quantum of the Seas*, Royal Caribbean introduced the largest variety of stateroom categories, including new **Studio** staterooms, some with balconies for single travelers, three **Junior Suite** categories and larger **Loft Suites**.

Signature Features Return and More New Surprises To Come

The adults-only Solarium, along with an outdoor pool, a new indoor pool with operable roof and a H2O Zone kids' aqua park, is featured on the top deck. Signature Royal Caribbean venues and experiences popular with families such as the Rock Climbing Wall; FlowRider surf simulator; the award-winning Adventure Ocean children's program; the Royal Babies and Tots Nursery; and the DreamWorks entertainment and events featuring the characters from animated movies: Shrek, Kung Fu Panda and Madagascar; are back on *Quantum of the Seas*.

Headlining a New Art Form

Continuing to expand on Royal Caribbean's commitment to offering award-winning Broadway productions at sea, the Royal Theater onboard *Quantum of the Seas* will host the full theatrical version of the smash hit musical MAMMA MIA! Guests will delight in this sunny, funny tale of love, laughter and friendship, all set to the timeless songs of ABBA – including “Dancing Queen,” “The Winner Takes It All,” “Money, Money, Money” and “Take a Chance on Me.” In addition, the Royal Theater hosts an original Royal Caribbean Production, conceived and created by William Close, Under The Radar Chicago and Art House Live, which is inspired by musician and innovator William Close and his variety of one-of-a-kind majestic instruments. This unbelievable production includes his signature Earth Harp, a unique Drum Wall consisting of 136 drums, a Vocal Percussion Jacket, Violin Dress and more. Sonic Odyssey is an original, theatrical masterpiece that weaves together a nine-piece live orchestra with a cast of singers, dancers, aerialists and gymnasts to envelop the audience in a spectacular show that must be seen and heard to be believed.
