

## ROYAL CARIBBEAN ENCORES WORLD-CLASS ENTERTAINMENT ON OASIS OF THE SEAS

*Entertainment Complex on World's Most Revolutionary Ship Introduces New Venues, Offering  
Guests More Choices*

MIAMI – The ‘cruise ship as floating city’ metaphor certainly applies to the *Oasis of the Seas* neighborhood called Entertainment Place. Guests have the luxury to choose from many entertainment experiences within this contemporary night club district, which is one of seven neighborhoods aboard the world’s largest and most groundbreaking cruise ship. Entertainment Place debuts new after-dark spaces in more intimate settings, from Blaze, the hottest nightclub at sea; to Jazz on 4, a cozy lounge filled with live jazz and blues; and Comedy Live, featuring hilarious acts. Dance lovers can waltz into an elegant evening in Dazzles, a dance lounge featuring musically themed evenings, dance lessons and competitions.

Whether looking for a mellow evening or an exhilarating high-energy ‘night on the town,’ Entertainment Place has an experience to suit any mood. Those in need of a good ole hearty laugh will be drawn to Comedy Live, the comedy club where headliners interact with the audience and tickle funny bones nightly. Complimenting the edgy humor, the décor of the funky space resembles a New York City subway station, with an underground-y feel complete with glazed tiling and a ceiling map of the Big Apple’s subway system.

Inspired by prohibition-era Chicago, guests can catch soulful rhythms in “Jazz on 4” while relaxing amidst the intimate room’s warm walnut paneling, plush sofas and chairs. Velvety drapes accented with hand-stitched Swarovski crystals complete the glamorous ambience. For the opposite effect, hit the hip and trendy Blaze for the quintessential nightclub experience. The minute guests step through the dramatic entrance, where doors are ‘burning’ with hot flames above a ‘charred’ threshold, the pulsating music sets the tone for a night of dancing and partying.

*Oasis of the Seas* also offers guests some of the most captivating theatrical productions ever created by the cruise line’s award-winning Royal Caribbean Productions team. The Opal Theater, *Oasis of the Seas*’ state-of-the-art 1,380-seat main theater, features a thrust stage and proscenium extending into the audience space to create a more intimate and interactive environment. Entertainers make their entrances from unexpected locations around the venue and perform aerial acrobatics enveloping audience members in an experience which unfolds around and above them. The popular Studio B with its ice skating rink continues to awe guests with spectacular ice shows and serves as the locale for a variety of themed events.

The late-night energy of Entertainment Place will center on Casino Royale, the largest and most sophisticated casino at sea. Guests will enter through the Hall of Odds, which immerses guests in the history of gaming. Elegant and super stylish, the space is reminiscent of the classic casinos found on the French Riviera. It's a scene James Bond and his current 007 hotty would be comfortable in. Against a backdrop of dramatic sculptured architecture, sparkling crystal chandeliers and hues of amethyst, aquamarine and ruby, Casino Royale boasts 450 slot machines and extensive table games. Take your pick from Blackjack, roulette, craps, and Caribbean Stud Poker; or play voyeur and head to the bar and lounge area to sip cocktails and soak up the exciting atmosphere. Other amenities include a poker room and players club.

Enhancing the diverse repertoire offered by Entertainment Place, the ship's other six neighborhoods also boast their share of worthy diversions, from musical and theatrical street performances in the tranquil gardens of Central Park or on the festive Boardwalk, to daring aerial acrobatic performances in the Royal Promenade, a new dimension to Royal Caribbean's signature street parades. The AquaTheater delivers a complete sensory experience playing on the element of surprise as audience members witness the venue come alive with heart-pounding aerial and aquatic acrobatics, as well as elaborate fountain shows synchronized to music and lights.

The two-deck Dazzles dance lounge, just off Central Park, is a spectacular space with expansive floor-to-ceiling windows offering breathtaking views of the Boardwalk below. Enjoy a variety of musical experiences ranging from 1940's big band to ballroom and disco. Evenings, the elegant space is theatrically illuminated with dazzling constellations of tiny twinkling lights reflecting off glass and mirrored surfaces above and below. During the day, Dazzles is open for guests to enjoy a drink and views of the bustling Boardwalk or learn a new dance move from a professional dance instructor.

The On Air Club, located in the Royal Promenade, radiates energy day and night with television monitors featuring news, sporting events and music. Better yet, guests can stage a performance of their own by belting out karaoke tunes or creating their own music video in a private video booth. Two more popular venues along the Royal Promenade are Boleros Latin club and the Schooner Bar, where fun sing-alongs are the main act. And there's more: the high-energy late night Club 20 transforms the adults-only Solarium into an under-the-stars evening hot spot for dancing, drinks and just hanging out.
