HARMONY OF THE SEAS AMPS UP FUN FOR THE ENTIRE FAMILY

Royal Caribbean International takes family fun to new heights with its newest ship, Harmony of the Seas. The harmonious combination of the world’s best features, including Royal Caribbean’s enhanced entertainment in the award-winning Adventure Ocean youth program; the Ultimate Abyss, the tallest slide at sea; the Perfect Storm trio of waterslides; Splashaway Bay interactive aqua park for kids as well as the line’s signature DreamWorks Experience brings a jolt of thrilling adventure for the entire family.

Enhanced Adventure Ocean Experiences
The cruise line’s robust and complimentary Adventure Ocean youth program continues to offer young vacationers, ages 3 to 11, a wide array of entertaining and educational activities and games designed with innovative fun and excitement. New and only offered onboard Harmony in the ship’s exclusive Adventure Ocean Theater is Away We Go, a black-light puppet show that tells the story of a spunky, 8-year-old girl named Mia. While vacationing onboard a cruise ship, Mia wishes upon a shooting star which takes her and guests on an imaginative journey around the world and beyond, with her new and unique friends Max and Sparky.

Additionally, experiences created in collaboration with Muffalo Potato – the popular YouTube show, which teaches kids to draw anything in minutes using only letters and numbers – rounds out young guests’ exciting Adventure Ocean lineup.

Thrilling Adventures for Guests of all Ages
With thrilling onboard activities and experiences, Harmony places guests at the helm of an adventure like no other. There is something for guests of all ages onboard, and adventures await travelers at every turn.

• The Ultimate Abyss – the tallest slide on the high seas, which towers more than 150 feet above sea level, overlooking the AquaTheater at the aft of the ship. The pair of side-by-side slides will release adrenaline-seeking travelers into a chilling 100-foot drop that twists and turns as they slide from the Pool and Sports Zone on deck 16 to Boardwalk on deck 6 below

• The Perfect Storm – a multistory trio of waterslides that twist and turn over Central Park, 10 decks below – Cyclone, Supercell and Typhoon. One slide features a champagne bowl that swirls guests around as they make their approach to the end of the ride

• Splashaway Bay – a vibrant waterscape for kids and toddlers with sea creature water cannons, winding slides, a gigantic drench bucket and a multiplatform jungle gym

Onboard Harmony of the Seas, travelers are welcomed by a famous cast of the DreamWorks Animation characters, including Po of Kung Fu Panda; Shrek, Fiona and Puss in Boots of Shrek; and from Madagascar, Alex the Lion, Gloria the Hippo, King Julien and the Penguins. Guests can enjoy events and activities with DreamWorks Animation's popular feature-film characters, including an exclusive DreamWorks Character breakfast in the main dining room, meet-and-greet experiences throughout the day and fun photo
