VOYAGER OF THE SEAS UPS THE ANTE DOWN UNDER WITH NEW WAVE OF THRILLS
First Royal Amplified Ship in the South Pacific to Sail in October After \$97 Million Modernization

MIAMI, June 26, 2019 – Adventures in the South Pacific will take on a whole new meaning with the highly anticipated arrival of a bolder-than-ever *Voyager of the Seas* this fall. [Royal Caribbean International](#) has revealed a \$97 million new look with a lineup of first-to-market features for the region’s debut amplified ship. From **The Perfect Storm** duo of racer waterslides to the **reinvigorated Vitality Spa** and **redesigned kids and teens spaces**, *Voyager* will tout a thrilling combination of experiences that make for an unforgettable family vacation to far-flung destinations on the other side of the world. Beginning Oct. 21, the newly transformed ship will set sail on a series of 3- to 5-night Southeast Asia itineraries from Singapore, followed by a season down under with 9- to 12-night South Pacific cruises from Sydney, Australia, starting on Nov. 30.

Deck-Defying Thrills

On *Voyager of the Seas*, vacationers can dial up the adventure with newly added Royal Caribbean hits never before seen in the South Pacific.

The Perfect Storm waterslides duo – Typhoon and Cyclone – will raise the stakes with three stories of heart-pumping twists and turns. This is the ultimate ride where guests can challenge their limits and each other in a highspeed race for bragging rights. The can’t-miss attraction joins returning favorites, including the FlowRider surf simulator, rock-climbing wall and mini-golf, to round out the ship’s action-packed aft.

Family Time Maximized

The cruise line’s amped-up getaways also introduce new and reimagined experiences for the whole family to spend time together and on their own while on board.

Making its out-of-this-world debut on *Voyager of the Seas*, **Battle for Planet Z laser tag** has quickly become a staple on Royal Caribbean ships. The glow-in-the-dark adventure in Studio B takes place in a universe of the distant future as two groups of thrill seekers – aliens and robots – go head to head to claim the last planet of a far-flung galaxy.

Younger guests, ranging from babies to teens, will enjoy a **top-to-bottom redesign** of their dedicated spaces. A fresh take on the award-winning Adventure Ocean, for kids of 3 to 12 years old, brings a **modern, free-play approach to a new, open layout** with whimsical activities at every corner. A first on *Voyager*, a **nursery** for babies and tots will open its doors, while 3- to 5-year-olds can dive into the excitement in an area created just for them. Teens are in for an **exclusive, updated hangout** like no other on board, along with the addition of a **laidback outdoor deck**.

Relaxation Renewed

Vacationers looking to relax and recharge are in for a treat at the **Vitality Spa and Fitness Center**. Enhanced and relocated to the aft of the ship, the spa and gym will offer its extensive, signature menu of services, including massages, acupuncture, manicures, fitness classes and personal training. Guests who opt to cool down poolside can look forward to a **refreshed Solarium** for all-day, adults-only tranquil vibes.

More highlights to make their way to *Voyager* include **72 new inside and balcony staterooms**, a **Suite Lounge and outdoor area** – exclusively for guests in Grand Suites and above; and the **Diamond Lounge** for members of Royal Caribbean’s Crown & Anchor Society loyalty program. The reimagined ship will also feature the new **Royal Caribbean International mobile app**. Travelers can soon check in for their cruise vacation from their phone, and once on board, the app will deliver an array of capabilities. From exploring and planning activities for each day of the itinerary, and viewing onboard expenses, to booking and managing dining, shore excursion and show reservations, guests will be able to seamlessly transition into vacation mode.

Voyager will be the fourth ship reimagined as part of the Royal Amplified fleet modernization effort built on research and guest feedback. The cruise line’s investment of more than \$1 billion spans 10 ships in four years and touches every facet of the guest experience. Introducing a robust variety of bold adventures meant to appeal to every generation, the program is a representation of Royal Caribbean’s passion for innovation, relentless attention to detail and commitment to delivering unforgettable vacations.

About Royal Caribbean International

[Royal Caribbean International](#) has been delivering innovation at sea for more than 50 years. Each successive class of ships is an architectural marvel featuring the latest technology and guest experiences for today’s adventurous traveler. The cruise line continues to revolutionize vacations with itineraries to more than 270 destinations in 72 countries on six continents, including Royal Caribbean’s highly anticipated private island in The Bahamas, Perfect Day at CocoCay, the first in the Perfect Day Island Collection. Royal Caribbean has also been voted “Best Cruise Line Overall” for 16 consecutive years in the *Travel Weekly* Readers’ Choice Awards.
