## **TWICE AS MUCH PERFECT DAY AT COCOCAY**

*Royal Caribbean Gives Guests More Time to Thrill and Chill with Two Calls and Late Nights at the Private Island Destination*

**MIAMI, Aug. 14, 2019** – With the smashing success of [Perfect Day at CocoCay](#), Royal Caribbean International is celebrating 100 days of Perfect Day with a double dose of adventure. The cruise line has revealed new, 4-night itineraries that now tout two visits to the industry’s leading private island destination. In one short getaway, guests will have twice the time to thrill and chill on their choice of nearly 40 sailings beginning Sept. 30, 2019. Three exclusive cruises also make their debut today, featuring the ultimate late-night island experience on Perfect Day, complete with extended hours and new adventures.

“Perfect Day at CocoCay has revolutionized private destinations in the vacation industry, and the resounding feedback from our guests is that they want more – more time and even more ways to experience the island,” said Michael Bayley, President and CEO, Royal Caribbean International. “We’re building on an incredible adventure that’s already winning the hearts of many.”

Guests sailing on board *Navigator* and *Mariner of the Seas* on these select cruises can double down on adventure by chilling one day and dialing up the thrills the next, or hitting repeat on a combination of all their favorites. From plunging down the tallest waterslide in North America, Daredevil’s Peak, and soaring up to 450 feet in the air in the Up, Up & Away helium balloon, to relaxing in the Caribbean’s largest freshwater pool, Oasis Lagoon; or on the pristine, white sand beaches, vacationers have plenty to choose from.
