MIAMI, Sept. 14, 2020 – Our primary goal continues to be a healthy return to service for our guests, crew and the communities we visit. Therefore, in alignment with the Australian Government’s recent decision to extend the suspension of cruise tourism in the region, Royal Caribbean International and Celebrity Cruises will be suspending all sailings departing from Australia and New Zealand on or before December 31, 2020. We will be reaching out to our guests and travel partners to share further details and address any questions or concerns they may have.
