ROYAL CARIBBEAN AND MIAMI-DADE COUNTY BREAK GROUND TO BUILD WORLD-CLASS CRUISE TERMINAL AT PORTMIAMI

The State-of-the-Art Terminal will Become Home to Two of the Largest Oasis-Class ships – Allure of the Seas and the Newly Announced Symphony of the Seas

MIAMI, March 8, 2017 – [Royal Caribbean Cruises Ltd.](http://www.royalcaribbean.com) (NYSE: RCL) together with Miami-Dade County, today broke ground for the new cutting edge cruise Terminal A at PortMiami. Terminal A will be a striking addition to PortMiami, serving as homeport to several Royal Caribbean International ships, including two of the world’s largest and most innovative cruise ships – *Allure of the Seas* and the newly announced *Symphony of the Seas*.

“This is an exciting collaboration with Miami-Dade County and PortMiami to create not just another cruise terminal but an iconic state-of-the-art facility,” said Richard D. Fain, chairman and CEO for Royal Caribbean Cruises Ltd. “Terminal A reinforces our unwavering commitment to our hometown, the city where our company first started nearly 50 years ago.”

“Miami-Dade County is happy to welcome Royal Caribbean’s Terminal A, and the economic factors that will benefit Miami-Dade,” said Carlos Gimenez, Miami-Dade County Mayor. “Our public-private partnership will have an estimated economic impact of \$500 million and generate more than 4,000 jobs. This will make PortMiami Royal Caribbean’s largest cruise port in the U.S., solidifying PortMiami’s status as the ‘Cruise Capital of the World.’”

Once completed in October 2018, Terminal A will be LEED certified and accommodate a 1,300-foot long ship. Royal Caribbean will implement the best technologies to deliver a state-of-the-art guest experience. Terminal A will not be the only addition for Royal Caribbean this year, RCL has added a 20,000-square-foot Innovation Lab to its corporate headquarters. The Innovation Lab will continue to generate the design of Royal Caribbean’s industry-leading ships.

Currently, PortMiami welcomes approximately 750,000 Royal Caribbean passengers annually, representing about 15 percent of its overall passenger traffic. Once the new cruise terminal is completed, it is anticipated that Royal Caribbean will generate at least 1.8 million travelers at PortMiami – representing no less than 30 percent of the port’s projected passenger traffic.
